## Hungary Mission Trip

July 26, 2012-August 5, 2012

***Solana Beach***

***Presbyterian Church***

a growing community of fully devoted followers of Jesus Christ

## ***A FAIRYTALE OF FAITH***

It was an ornate castle nestled on a 78-acre estate of lush trees, a picturesque lake, stables, the works! Then communism overran Eastern Europe and the owners were evicted. For 40 years the Communist party used and abused the castle. When communism crumbled, the state could not afford to run the facility.

Waiting in the wings was Word of Life, an International youth ministry that was praying about work in Hungary. Through prayer and patience, Word of Life purchased the fairy tale estate and has turned it into a thriving Forest Home like youth camp, complete with a swimming lake, basketball courts, soccer field, and more.

Every summer, over 1000 kids from all over Eastern Europe spend a week at the camp. Most have never heard the good news of Jesus. All are eager to learn English and are drawn by the camp's sports programs.

Teams of Christians from the US join the awesome year-round Word of Life staff to offer English instruction and sporting activities. No training in teaching or sports is necessary. All that's required is a love for Jesus and a love for youth.

## ***2012 SBPC MISSION TEAM***

As a result of the Choir's 2010 Mission Trip to Eastern Europe, a new SBPC Global Mission Partnership has been created. **This is a joint initiative of SBPC's Worship Ministry and Student/Family Ministry.**

Through our church's focus on intergenerational relationships and the relationship building that takes shape between adults and students during KidsGames, it seemed natural to partner with the Word of Life Camp in Hungary.

Our aim is to join hearts as we reach the children and teens in Eastern Europe with the gospel of Jesus Christ. We will serve in 2012 during a week of WOL's high school camp.

### **Reasons for this new partnership:**

- Our choir has visited this camp twice and has felt a warm connection with the amazing staff there.
- Native speakers of English are a draw for the camp.
- Word of Life can teach us a lot about creative outreach strategies.
- Intergenerational teams are desired, making this an ideal mission experience for parents and students.
- All skills needed, from sports to light construction to hospitality.
